VIP

Result Materials supplies the most innovative range of self adhesive label stocks for label printers. Unique coating technology delivers a wider scope of use than any other.

Self Adhesive Materials

We don't stop thinking about
TOMORROW

Formed in 2009, with over 100 years of combined experience in machinery, packaging and materials, Result Group has fast become one of the country's premier suppliers in their field.

24/7 Service

Our service department is available to you 24/7, 365 days a year.

Technology

We use smart technology that saves at every level.

Solutions

We develop, design and create standard and custom applications to suit any market.

LET'S START NOW!

Result Group has partnered with global brands, some of which are leaders in their field. Each partner has been deliberately selected based on a specific technology feature that is unique in the Australian market, offering a distinct advantage to our customers.
